2018-2019

Mission

We strive to enliven and elevate the human spirit by means of dance, specifically the perfect form of dance known as ballet. A technique of movement that was born in the courts of kings and queens, ballet has survived to this day to become one of the most elegant, most adaptable, and most powerful means of human communication.

Pre-professional Ballet Intensive Program (PBIP)

This program provides an outstanding training opportunity for Boulder County students who achieve highly in both balletic and academic pursuits. The program will prepare students for ballet-based degree programs at the collegiate level, for the rigors of a professional ballet career, and for academic collegiate success.

Since 1998, Centennial State Ballet has been the premier youth ballet company of Longmont, Colorado. Our productions feature full sets, costumes, lighting and live musical accompaniment culminating in a truly professional ballet experience for our students. Longmont Dance Theatre Academy (LDTA) is home of PBIP and the training ground for all CSB dancers.

Help us continue to provide our young dancers with exceptional performance opportunities. Sponsor a dancer with a donation of \$250 per performance. Contact us for additional information -
